

# Meet your Tutor

---

# BFS – New Student Guide

---

The school day

Uniform

Attendance – reporting illness via “Studybugs”

Safeguarding information

## Little (but important) things

---

Enter via the main school gate on Concorde Drive

On the first day meet Mr Tolman in the Sports Hall by 8.25am

Get to school for 8.25 **every day**

Be proud! Meet the high expectations of our uniform

Be equipped to learn

Be motivated!

Live by our core values

Take part! Join a club!

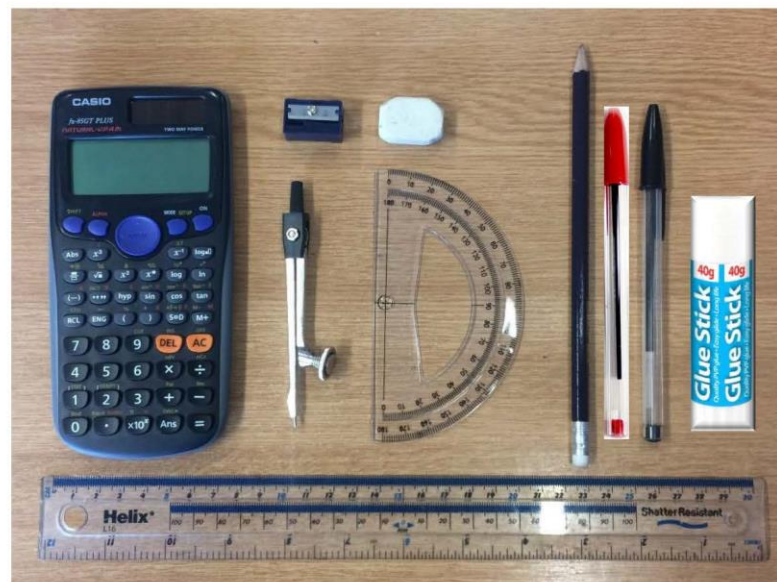

No mobile phones – unless you ask to use it at student services

The planner – first point of contact

# Be prepared for learning

You should have this equipment every lesson, it is your responsibility

- Black biros
- Red biro for DIRT
- Pencils
- Ruler
- Eraser
- Sharpener
- Protractor 180° or 360°

2C) 48cm<sup>3</sup> ✓ ②

(12/17)

Measuring the temp

Water	Temp
Tap	24
Warm	30
Hot	35
Iced	10
Cold	20

Hazard	Risk	Control Measure
Bunsen Burner	It could burn you.	You wear safety goggles and tie your hair up.
Splint	When set on fire you could get burned.	You can hold your hand in front so it doesn't burn anyone.
Gas Taps	You could breath it in.	You attach a rubber tubing to the Gas Taps.
		② safety goggles
		1. safety goggles
		2. safety goggles
		3. safety goggles

Describe what the air hole does to the flame.

If you open the airhole the flame turns into a whistling flame and

## Homework

---

- 1 hour per night
- Homework timetable
- Organisation is of paramount importance
- Deadlines - week deadlines, sometimes next lesson
- Relative to amount of contact time in subject
- Homework club
