

Bristol Free School - Admissions 2017 onwards

The agreed admissions number for Year 7 of the school will be 200 from 2017 onwards. This admissions policy applies to parents seeking admission for their children from September 2017 onwards. Children with a statement of Special Educational Need or an EHC plan which names Bristol Free School have priority in our admissions up to the admission number. Should there be more applications than the 200 places available, then the following oversubscription criteria will be applied in the order in which they are set out below:

Admissions policy

This admissions policy applies to parents seeking admission for their children from September 2017 onwards.

Where the number of applications for admission is greater than the number of places available for any given intake, the following over subscription criteria will apply, in the order set out below:

1. Children who are in the care of a local authority or provided with accommodation by that authority in accordance with section 22 of the Children Act 1989, at the time an application for a school is made; and children who have left care through adoption, a residence order or special guardianship order.
2. Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice, explaining why these needs can realistically only be met by Bristol Free School.
3. Children who, on the date of admission, will have a sibling on the roll of the school. Sibling means a full, step, half, adopted or fostered brother or sister, but not cousin, who will be living permanently with them at the same address at the date of their entry to the school; the school may require proof of relationship. This will only apply, if at the time of entry, both siblings reside at the same address inside the defined Admissions Priority Area (APA)
4. For entry into the school (normally Year7) an Admissions Priority Area (APA) will apply. The APA is a geographic area based upon the Neighbourhood Partnership Area (NPA), centred upon, the BS9 area, modified to incorporate the area close to the school. Then
 - i. 20% of the available places will be allocated to those applicants whose home address is closest to the school. The point to which measurements will be made is the mid-point on a line drawn between the centre of the Burghill Road and Concorde Drive entrances to the school.
 - ii. 80% of the available places will be allocated to those whose home address is closest to a point defined by the mid-point at the junction of Elmlea Avenue and Rylestone Grove; this point lies close to the centre of the NPA.

Available places, is defined as the number of places remaining once the number admitted under 1,2 and 3 above are subtracted from the 200 originally available.

If there are surplus places available under either 4i or 4ii, they will transfer to the other category in the first instance.

5. Should there be fewer applications from within the APA than there are available, then all applicants from outside the APA will be considered. Again,
 - i. 20% of the available places will be allocated to those applicants whose home address is closest to the school. The point to which measurements will be made is the mid-point on a line drawn between the centre of the Burghill Road and Concorde Drive entrances to the school.

- ii. 80% of the available places will be allocated to those whose home address is closest to a point defined by the mid-point at the junction of Elmlea Avenue and Rylestone Grove; this point lies close to the centre of the NPA.

In this instance, places available is defined as the number remaining after the application of criteria 1, 2, 3, 4i and 4ii.

Notes

Admissions Priority Area (APA) - If you live outside of the APA, you are not prevented from applying for a place.

Distance tie-breaker - If more applications are received than there are places under any of the over-subscription criteria then the places will be offered in order of distance from the home address to the relevant point, distance being measured in a straight line from the middle of the front door of the pupil's accommodation to the relevant point. For this purpose, the ground floor is considered closer than the first and so on. Should there be a 'tie' between two or more applicants for a place in any category then lots will be drawn.

Operation of waiting lists - Where in any year the school receives more applications for places than there are places available, a waiting list will operate for the first year. This will be maintained by the School and it will be open to any parent to ask for his or her child's name to be placed on the waiting list following an unsuccessful application. A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set (as applicable). Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Home Address - The home address is where the child spends the majority of time and is living with the person who has parental responsibility and is the parent as defined in Section 576 of the Education Act 1996 (we may require documentary evidence). If a child regularly lives at more than one address the Governing Body will have to reach a conclusion about which should be counted as the main address when allocating places. This will normally be the address where Child Benefit is paid and where the child is registered with a doctor.

Boundaries - Where the APA has a boundary defined by roads, all houses with a postal address on that road will be included in the area. If a boundary divides a property, that property will be deemed to be within the area.

Sixth Form Admissions Policy

Bristol Free School welcomes applications from Bristol Free School students who have attended Year 11 of the school and from external applicants. The Published Admission Number for entry to Year 12 is 150, with priority given to students who were at Bristol Free School in Year 11. More places may be available, subject to the number of students taking each course.

Acceptance onto a programme of subjects/courses is dependent upon a student having achieved the necessary entry requirements. Students should refer to the Sixth Form Prospectus and/or the school's website for the individual subject and course requirements. Individual subjects and courses may be limited in the number of students they can accommodate.

Should applications from suitably qualified external students exceed the number of places available, the following oversubscription criteria will apply:

- i. Looked After and previously Looked After Children
- ii. Exceptional Social/Medical Need, as defined in 2, above
- iii. Any other applicants If more applications are received than there are places available, then they will be offered in the same order as defined in
- iv. 4i, 4ii, 5i and 5ii those living closest being offered places as a priority.

NOTES

Admissions Priority Area (APA) If you live outside of the APA, you are not prevented from applying for a place.

Sibling - means a full, step, half, adopted or fostered brother or sister, but not cousin, who will be living permanently with them at the same address at the date of their entry to the school; the school may require proof of relationship.

Available places - is defined as the number of places remaining once the number admitted under 1, 2 and 3 above are subtracted from the 200 originally available. If there are surplus places available under either 4i or 4ii, they will transfer to the other category in the first instance.

Distance tie-breaker - If more applications are received than there are places under any of the oversubscription criteria then the places will be offered in order of distance from the home address to the relevant point, distance being measured in a straight line from the middle of the front door of the pupil's accommodation to the relevant point. For this purpose, the ground floor is considered closer than the first and so on. Should there be a 'tie' between two or more applicants for a place in any category then lots will be drawn.

Operation of waiting lists - Where in any year the school receives more applications for places than there are places available, a waiting list will operate for the first year. This will be maintained by the School and it will be open to any parent to ask for his or her child's name to be placed on the waiting list following an unsuccessful application. A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set (as applicable). Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. 3

Home Address - is where the child spends the majority of time and is living with the person who has parental responsibility and is the parent as defined in Section 576 of the Education Act 1996 (we may require documentary evidence). If a child regularly lives at more than one address the Governing Body will have to reach a conclusion about which should be counted as the main address when allocating places. This will normally be the address where Child Benefit is paid and where the child is registered with a doctor.

Boundaries - Where the Admissions Priority Area (APA) has a boundary defined by roads, all houses with a postal address on that part of the road marked on our admissions map will be included in the area. If a boundary divides a property, that property will be deemed to be within the area
