# MATHS

## CHALLENGE CLUB

CF01

Tuesday

Mx Sweatman

Come along and challenge your brain with some fun maths puzzles. You can work with others or just by yourself and I will provide you with as many questions from the UKMT Maths Challenge as you can handle! You can also bring your own puzzles and share/solve them with the group. For anyone in years 7 - 10

# UKULELE

## ENSEMBLE

DG32

Blue Monday 3 -  
4.30pm

Mrs Humphries

Come and play the ukulele!  
Learn some pieces  
together and play/sing with  
the school choir! We will  
also prepare pieces for  
performances. All year  
groups and abilities  
welcome!

# BOARD GAMES

## AND CHESS CLUB

CF11 Red Thursday  
Dr Gregson

Defend the kingdom,  
build a city, or even trade  
goods in outer space! Get  
together with friends, play  
and have fun! Discover  
new games, play your  
favourites from home and  
even design new ones of  
your own!

# DEBATE CLUB

DG09

Monday  
Ms Sayer  
KS3

Want to know how to win  
an argument? Want to  
develop your confidence  
and teamwork skills? Want  
to compete against other  
schools? Want to discuss  
important topics? Debate  
Club is the place for you!

# HOMEWORK

# YEAR 7

## PHOTOGRAPHY

DF14

Thursday

Mrs Kinnersley

Get snappy and learn some new skills from behind the lens!

# EAL CLUB

DF15

Wednesday  
Mrs Robbins

This is a wonderful opportunity for students who are currently learning English to practice and develop their skills and to form new friendships. This is open to all EAL students at BFS - please speak to Mrs Robbins in DF15 if you would like to attend. The sessions include some reading, speaking, writing and listening activities and lots of fun games to improve confidence with English.

Sixth Form students are also welcome to sign up as volunteers and will be trained and supported throughout the year by an external agency called Jacari (with Mrs Robbins present too). Students will have the opportunity to mentor, support and coach younger students and will develop their level of confidence and competence with English.

# MULTI-FAITH PRAYER ROOM

DF23

Thursday Lunchtime  
KS3/Y12

Led by Sixth Form students, come and enjoy a quiet place to pray.

# PHILOSOPHY CLUB

CG15

Monday 3.00 - 4.00pm

Mr Blance  
KS4/KS5

Coming from the Greek Philosophia, meaning approx 'love of knowledge', philosophy is the pursuit of questioning our reality to find out more about it. Irresolvable questions we will ponder include: Does the world exist? Do you exist? Does God exist? Does time exist? Is there a meaning to life? What are 'good' and 'evil'? What should we DO?

# MODEL UNITED NATIONS

DF09 Red Wednesday  
Mr Ruston, KS4/5

In this club we take the juicy topics in politics and international relations, debate them, generate solutions and reflect on how different countries view them.

This is a chance to develop your communication skills, empathy, teamwork... and may even lead to a trip or two to debate with other schools at local or national events.

# DYNAMICS

## CHOIR

DG31  
Blue Monday 3.00 -  
3.45pm  
Ms Kennard

For those who love singing - a great opportunity to have some fun, sing with others and work towards performances. All year groups and abilities welcome!

# CHAMBER

## CHOIR

DG31  
Blue Monday 3.45 -  
4.30pm  
Ms Kennard  
Year 8 - 13

A chance to work through some more challenging repertoire and prepare for performances. There will be opportunities for some solos and collaboration with other ensembles! Confident singers needed!

# LANGUAGE CLUB

DF19 Red Wednesday Mrs Ardelean

This is a club that aims to promote and celebrate not only French and Spanish, but any language spoken at the school! We meet regularly, here are just a few examples of what we do: we organise events such as primary school visits; learn languages outside of those taught at BFS; produce articles for the newsletter, and much more!

# REWILDING AND WOODCRAFT CLUB
