Words from the Headteacher

And so it begins, another exciting year in the life of Bristol's best Free School. We have had our second set of full exam results, and we are delighted with the attainment of our students, with a host of phenomenal grades. George Airs, Matthew Ghosh and Isabel Phillips all gained 7 A* and three 9s. Nationally, only 2000 students got three 9s, so they are in exceedingly lofty company. Matthew managed to do something quite startling: a maths score of 212 out of 240 would have seen him inside the top 1%, or 1000 students nationally. Matthew managed a mind-boggling 236 out of 240. We salute these achievements, but also the achievements of every single student, in a year when more than a quarter of our English grades were at least a 7. Ten students achieved a grade 9 in English and seven in Maths. This is *more than double* the national average for this year. Individually, there were some exceptional sets of results achieved including: Grace Barnett-Cox who achieved 6 A*s and two 9s; Tom Kent 5 A*s, a 9 and 2 A grades. Ollie Pope, Anusha White, Dan Whetton and Christopher McWhan all gained 10 grades at A, A* and 9. We look forward to celebrating further successes.

There have been some changes to the shape of the school. Our new Science labs are open and they are gleaming palaces of scientific advancement. We have remodelled our dining hall to speed up the process, with more tills and a much bigger servery. We also have some new external seating and a large canopy in front of the main building. Lastly, our PE changing rooms have doubled in size. The school is all but complete, with a full complement of year groups; it is busier and better than ever.

We have high standards and high expectations. Like all schools we tend to start September with a bang; it is the perfect opportunity to enforce our uniform codes and underline our expectations in every shape and form. Beyond this, we have one simple expectation: that all our students have the desire to succeed.

Come on Tom!

Over the summer holidays, Tom in Year 10 played a game of tennis against none other than Tim Henman!

Tom is among the best young tennis players in the country and everyone at BFS is very proud of him.

Year 7 Activity Evenings

On Friday 15 and 22 September, all Year 7 parents and carers are invited to an Activity Evening at the School.

Tutor groups 1-4 will be invited to Friday 15 September, and TG5-8 on Friday 22 September. The fun and frivolity will start at 6pm, and there will be a bar (for the grown-ups only!) and BBQ provided by the Friends of Bristol Free School.

Look out for the letters which will contain more information.

School Photographer

On Monday 11 September, NextGen photography will be on site taking head shots of Year 7, 11 and 12 (plus any new students who have joined other year groups this week).

These photos will not be published or shared anywhere, and will be used on school systems for student identification.

Parents/carers will be given the opportunity to purchase the photos once they are ready.

Other year groups and tutor group shots will be organised for later in the year.
